This expansive 4 bedroom, 4.5 bathroom home is located just minutes from the town of Quepos, Marina Pez Vela and Manuel Antonio National Park, but offers an expansive estate lot and a sense of privacy almost impossible to find in the heart of town. You are welcomed into the expansive and unique one floor house plans with a gated entry feature and concrete drive and carport. This area is spacious and allows for ample parking for

owners and guests. The main doors of the home open into a spacious open floor plan with the kitchen, dining and living areas in a fantastically open space and all of which open onto the back porch and gardens.
