

Villa Venecia Bosques de Lindora Residence

Santa Ana

Description

Located in one of the most exclusive gated communities in the Central Valley, Bosques de Lindora is known for being one of the most exclusive, centrally located and luxurious communities in Santa Ana. As you enter, the first thing you see is the breathtaking landscaping of the development and the perfectly crafted gardens which make you never want to leave this place. This luxury gated community has great amenities such as a club house, a swimming pool and green areas all around the neighborhood to walk and enjoy the finer

things in life with your loved ones. As one enters Villa Venecia you start traveling to the beautiful Italian city of Venice. This single-story residence was carefully designed from its foundations with the smallest of details in mind. In the main entrance you will see a grand foyer with amazing natural light and high ceilings which offer great natural ventilation throughout the property. As you continue on the right wing of the residence you will see an open living plan in which the living room is featured with terrace access and views to the perfectly designed garden that is a great spot to drink cocktails and sunbathe. On the left side one can observe the kitchen which has then access to the service area and its own private entrance with garden access.

The formal dining room has a venetian inspired ceiling and welcomes you to an informal room perfect to share meals and delicacies. Then upon continuing through the residence there is the television room with terrace access and the bedrooms start to appear as part of the carefully crafted architecture. The first and second bedroom have a shared bathroom, great natural light and hardwood floors. Then there is a linen closet for towels and storage and access to the third bedroom with its own private bathroom. All bedrooms have their own large walk in closet. As you continue walking you see the spacious master bedroom that offers great views of the breathtaking garden and various spaces to enjoy as a couple, such as a

reading corner. The bedroom has access to the master bathroom in which every space is separated with a bathtub and modern shower. The master suite also has a large double walk in closet. This single family one level residence has yet a unique feature; on the second floor there is a large studio bedroom which can be used for different purposes such as a suite, office or gym. It has its own private bathroom and walk in closet and most of all a great privacy. The second level has views of the foyer and beautiful finishes. Villa Venecia truly transports one to Italy; this residence offers elegance, crafted design and luxury finishes every step of the way. It truly is the perfect place to call home.
